

Reform

What Reform Is All About...

- More enrollment in postsecondary education = skilled & knowledgeable workforce
- More research, technology & entrepreneurship = better jobs

Five Questions We All Must Answer...

1. Are more Kentuckians ready for postsecondary education?
2. Are more students enrolling?
3. Are more students advancing through the system?
4. Are we preparing Kentuckians for life and work?
5. Are Kentucky's communities and economy benefiting?

One Mission - Better Lives

Reform is working. Here are the results so far...

- Enrollment is up more than 25,000 since 1998.
- KYVU enrollments increased from 228 and nine programs in fall 1999 to 5,540 and 25 programs in fall 2001.
- KYVL averages 600,000 searches per month (800 per hour, every day of the week). KYVL has saved public universities at least \$36 million in electronic databases.
- Since 1998, the public universities have started 61 programs and closed 157.
- Adult education enrollments have increased from 51,000 in 1999-2000 to more than 63,000 in 2000-01.
- Using "Bucks for Brains," UK and UofL have increased endowed chairs from 47 to 138 and endowed professorships from 55 to 181.
- Externally funded research done by UK and UofL has increased 41.8% since 1997: from \$122 to \$173 million.

Enrollment is up more than 25,000 since 1998.

Budget Priorities

Maintaining the Momentum...

- Help build a knowledge-based economy:
 - Fund a third round of "Bucks for Brains"
 - Fund joint engineering and information technology programs
- Support enrollments we've gained since 1998
- Support additional enrollments we expect in 2002-04
- Fully fund need-based financial aid in the KHEAA budget
- Fund equal educational opportunity programs
 - SREB Doctoral Scholars Program
 - Governor's Minority Student College Preparation Program
